IV. Old Business

A. Newly Elected Official Training Update

Office Manager Lauren Haven reported approximately thirty people were expected to participate in the full day of training on Friday, December 14th at the Senator Inn. All instructors were still on board to give their presentations. President Tom Coward would be emceeing the event.

B. Consideration of the 2020 Convention Host County

Office Manager Lauren Haven reported Point Lookout was willing to extend the contract for a second year with the same pricing as 2019 if we're willing to commit. No mention was made of another deposit for the second year. The dates would be the same week in 2020 as 2019, which would be Thursday September 24th through Sunday September 27th. The group discussed the option of another county hosting or co-hosting at Point Lookout. This topic could be revisited at a future meeting. Commissioner Fowler was surprised Point Lookout was willing to offer the same discounts and said it would be a great advantage to MCCA. Then the Convention Planning Committee could continue to work on narrowing down the venues for the rotating schedule. Comm. Fournier moved to accept the extended Point Lookout contract for the 2020 Convention. Comm. Blodgett seconded the motion and it passed unanimously.

V. New Business

A. MSA Update by Lincoln County Sheriff Todd Brackett

Sheriff Brackett talked about a stakeholder meeting discussing the impact of courts on county jails, adequate funding and legislative initiatives. Todd identified three key issues a proposed bill should address:

- 1. State Funding Formula
- 2. Flexible Cap
- 3. Standards including pre-trial, and best practices

The group discussed the proposed cap exemption bill from Franklin County. All agreed it is important for MSA and MCCA to work together. Admin Bill Collins stressed the importance of including data provided by MACCAM and county finance managers who have concrete numbers to drive the bill. President Coward said we did make progress last year. Now we need to build on that and move forward. Attendees thanked Sheriff Brackett for coming to the meeting.

B. Choose Venue for the Annual General Membership Meeting

The group reviewed the estimates from the Senator Inn and Spa, The Elks Lodge and Governor Hill Mansion. <u>Comm. Fournier moved to host the 2019 Annual Meeting at the Senator Inn and Spa. Comm. Blodgett seconded the motion and it passed unanimously.</u>

C. Presentation of the Proposed 2019 Budget by the Budget & Finance Committee

Comm. Norm Fournier spoke for the Budget & Finance Committee explaining the highlights of the changes from the 2018 budget noting the 3% increase of the Risk Pool Assessment had been approved by the Risk Pool Board of Directors prior to this meeting. He then proceeded through each line item answering questions posed. Admin Bill Collins proposed raising the dues instead of \$273 per county to \$500 per county, however there was not enough support to make this change in the draft. They also talked about changing the formula for the dues. Bill said commissioners could raise more revenue for MCCA by supporting the convention. Comm. Fournier stated the MainePERS account would soon be depleted and all agreed there would be a need to decrease expenses or increase revenue in the future. <u>Comm. Blodgett</u>

moved to have the Budget & Finance Committee work on a long term plan. Comm. Cote seconded the motion and it passed. Comm. Fournier made a motion to move the proposed 2019 budget forward to the annual general membership meeting for consideration. Manager Betsy Fitzgerald seconded the motion and it passed with no opposition.

D. Nominations for the County and Municipal Detention Facility Advisory Committee

Comm. Cote reported on the valuable work the committee accomplished cutting nearly half of the jail standards. <u>Comm. Fowler moved to re-nominate Comm. Cote to serve again on the County and Municipal Detention Facility Advisory Committee. Comm. Fournier seconded the motion and it passed unanimously.</u> The group thanked Comm. Cote for his willingness to serve on the Committee.

VI. Reports

A. Executive Director and Legislative Report

The group discussed the items on Executive Director report by Charles Pray particularly in reference to new legislation and placeholding bills. Mr. Pray agreed to send out a list of the placeholders. Comm. Fowler brought up the issue of blood draws and the cooperation of area hospitals. Admin. Bob Devlin said there needs to be language requiring the patients to remain the responsibility of the hospital and not be transferred to the jail. Admin. Pam Hile suggested the LPC start meeting on a regular basis. Mr. Pray said he would come up with a schedule for conference calls. Also mentioned was the NAMI workshop to address mental illness issues in county jails. Lauren reminded attendees about the free NACo webinar about reducing recidivism for people with mental illnesses in jails occurring that afternoon.

B. Financial Reports

Office Manager Lauren Haven presented the November financial reports. She reiterated the tightness of the 2018 budget. The December expenses might exceed the estimated projections for some line items. The Budget and Finance Committee planned to leave room in the 2019 budget for minor fluctuations as they look for long-term solutions for funding. Ms. Haven invited questions about the reports. Hearing none, Manager Betsy Fitzgerald moved and Comm. Cote seconded approving the financial reports. The motion was passed with no opposition.

C. Association Reports

MACCAM: Admin. Bill Collins reported the association planned to meet in January. MCCA members would be needed to support the request for jail funding based on current deficits. A report from Criminal Justice is anticipated. Admin. Bob Devlin said MACCAM members as well as the county finance managers were ready to work with counties and commissioners on the numbers for supporting documentation to prove the need for funding. This topic will be revisited when the report is available.

MARP: During the 127th Legislature, LD 123 An Act to Recodify and Revise the Maine Probate Code, was signed into law. Register Kathy Ayers reported on the implementation of the many intricate and involved changes in the probate code. The extent of the impact has yet to be determined, however, an immediate concern would be a fee shift and new expenditures necessary to comply with the law. These are being considered an unfunded mandate. Another concern is the anticipation of lengthy, and labor-intensive trials as the details of the code are interpreted and current guardianships are challenged. Ms. Ayers stressed the importance of involving probate representatives in future discussions about mental health in the county jails. The association planned to meet with the probate judges on January 25th to work together to achieve uniformity as they proceed with these changes.

President Tom Coward requested the MCCA Board of Directors take a position on the state's movement to take over areas of responsibility and revenue from the counties. *Comm. Blodgett moved to actively*

oppose any and all attempts from the state to take over the current jurisdiction and revenue streams from the Probate Court. Manager Betsy Fitzgerald seconded the motion and it passed unanimously.

D. Annual Convention Report

Office Manager Lauren Haven reported the Convention Planning Committee met on Friday, December 7th to work on the details for the 2019 event. The next meeting was scheduled for Friday, January 11th at the MCCA offices. The meeting minutes for the November meeting were included in the agenda packet. The minutes from the December meeting will be included for review at the January board meeting.

E. NACo Report

The upcoming NACo Legislative Conference will bring together over 1,500 elected and appointed county officials to focus on federal policy issues that impact counties and residents. Maine representatives will have an opportunity to participate in educational sessions, interact with federal officials and attend congressional briefings and meetings. This event is scheduled for March 2 through March 6, 2019.

F. Strategic Plan Review Committee

Office Manager Lauren Haven reported committee members were still laboring over the wording of the draft. It might take one more meeting of the group before the updated document will be ready for consideration by the Board of Directors.

XIII. Other Business

No other business was brought before the Board.

XIV. Adjournment

<u>President Thomas Coward invited a motion to adjourn at approximately 12:05 p.m. Comm. Cote made the motion seconded by Comm. Fowler, and the motion was unanimously approved.</u> The group adjourned to lunch.

Maine County Commissioners Association

2019 PROJECTED REVENUE

4100-00 **CONVENTION INCOME - \$42,900**

Representatives from the 2019 host county recommend keeping the same estimated numbers as 2018. Point Lookout is likely to be a popular destination for both vendors and attendees, and the venue has made several concessions which are likely to reduce the overall cost of the conference.

4110-00 Plaques - \$400

This account will collect income from counties to pay for plaques for commissioners and other retiring county officials. The corresponding expense line is 6124-00.

4120-00 Registrations - \$22,000

This account collects all registration payments for convention registration, meals, and participation in activities. Reduced from 2017 budget because less revenue than anticipated was received for 2017 convention. We need more Commissioners to attend their annual conference.

4130-00 Sponsorships - \$9,000

This account shows revenue from contributions paid by organizations or individuals who donate to or sponsor an event. The budget projections for 2017 and 2018 were not quite reached, but more sponsors should be acquired to help MCCA pay conference expenses.

4140-00 **Vendors/Exhibitors - \$11,500**

This income is received from vendors, exhibitors, and advertisers at the convention who are there to market their goods and services. The decreased amount reflects less revenue received than anticipated in this category in 2017 and 2018.

<u>4300-00 COUNTY MEMBERSHIP DUES - \$141,043</u>

This is the income received from member counties' annual dues. There was a 2.1% increase in 2017, and a 2% increase for 2018. The Budget and Finance Committee recommends a 3% increase for 2019 which is an additional \$273 per county, changing each county's dues amount from \$9,129 to \$9,402.

4400-00 OTHER INCOME - \$7,500

Any other miscellaneous income that MCCA receives during the year that does not fit within listed budgetary categories is shown in this line. This includes payments from NACo for MCCA's marketing of programs sponsored by NACo, such as the discount health prescription drug and dental programs, and the U.S. Communities joint purchasing program. The increased amount reflects \$3,000 expected from advertisements in the 2019 Directory of Maine Counties.

4500-00 NACO ROSTER - \$500

Funds received from the National Association of Counties for MCCA's contribution to the roster containing county contact information are posted to this account.

4600-00 MCCA RISK POOL ASSESSMENT - \$27,037.50

Funds received from the MCCA Risk Pool are posted to this account. The assessment is calculated according to a cost allocation plan that considers the amount of time and space the Risk Pool utilizes of MCCA resources. The 2017 budgeted amount increased from \$25,000 to \$26,250 due to increased costs projected for MCCA. The 2018 amount remained the same as 2017. The Budget & Finance Committee recommends a 3% increase (\$787.50) in the Risk Pool assessment.

4800-00 From MainePERS Fund - \$9,997

Funds from the MainePERS surplus fund which are kept in a separate money market account, are used for the employer's contribution toward employee retirement in MainePERS. The increased amount reflects an estimate of 8% from July to December 2019, as recent increases have been 6.5% to 7% to 7.3%. These funds will be transferred from the money market account to the checking account to pay MainePERS monthly. The money market account balance was \$22,428 in November 2018 which will last approximately two more years at the current rate.

<u>4810-00 INTEREST INCOME - \$100</u>

Income earned on savings investments is shown in this budget line.

4920-00 TRANSFER FROM FUND BALANCE - \$27,985

Surplus funds to be used from the undesignated fund balance to offset budget expenditures are shown in this account. *The Financial Management & Investment Policy* states, "The MCCA hereby establishes a policy that requires the MCCA to maintain a minimum undesignated fund balance equal to approximately **two months expenditures**."

MCCA's average monthly expenditure is about \$20,000, indicating \$40,000 would be considered the lowest level of acceptable undesignated fund balance for MCCA. Subtracting the amount of surplus recommended for use in the 2019 budget (\$27,985) and the MainePERS (\$9,997) from the projected fund balance of \$61,170 (checking \$38,541, money market \$22,428, and petty cash \$200) would leave the fund balance at \$23,188 which is below the policy requirement.

TOTAL REVENUE PROJECTED FOR 2019 - \$257,062

Maine County Commissioners Association PROJECTED 2019 EXPENSES

5000-00 PAYROLL EXPENSES - \$152,800

5030-00 Social Security & Medicare (FICA) - \$9,897

This account funds payments for Social Security and Medicare. The contribution for FICA is 7.65% of employee taxable wages. Social Security is calculated by multiplying an employee's taxable wages by 6.2%. Medicare is calculated by multiplying taxable wages by 1.45%. Taxable wages are calculated by gross salary minus health insurance deductions. The contribution is the same for both the employer and the employee. The line increases by \$276.85 for 2019.

5040-00 MainePERS - \$9,997

Funds to pay the employer share of retirement contributions are kept in an interestearning money market account, which had an account balance of \$22,428 in November 2018 which will last approximately two more years at the current rate.

The budget reflects a 2.9% increase as determined by the Budget and Finance Committee based on a favorable annual performance evaluation for 2018 by Executive Director, Charles Pray.

5060-00 Executive Director's Salary - \$81,332

The budget shows an increase of 2.9% above the contractual amount initially agreed upon by MCCA and Executive Director Charles Pray. The two-year contract will expire on July 17, 2019.

5100-00 INSURANCE - \$14,816

5110-00 Health Insurance - \$11,752

Amounts MCCA pays for employee health insurance are posted to this line. MCCA utilizes the health insurance services offered by the Maine Municipal Employees Health Trust (MMEHT). Employees may choose one of three plans offered, and MCCA pays 90% of the single employee premium for the employee's chosen plan. 5140-00 Unemployment Compensation Insurance - \$450

MCCA participates in the MMA Unemployment Compensation Insurance program to control potential unemployment compensation insurance costs as a member of a large pool. The estimate is calculated at 1.69% of \$24,000 in taxable wages as Maine law stipulates insurance for only the first \$12,000 per employee making the estimate \$405 and leaving a small margin.

6010-00 PROFESSIONAL SERVICES - \$3,500

This line contains an appropriation at no change from last year's allocation for legal services.

6013-00 Financial Audit - \$3,000

Beaulieu which included an option of an additional two-year period ending December 31, 2017 for \$3,000. The same company performed the last audit for 2014 and 2015. This audit has not yet been completed and the payment may fall into the year 2019.

The charge for lobbyist registration is \$200; therefore, this fee is paid on behalf of the MCCA Executive Director Charles Pray who serves as the lobbyist for the organization.

6041-00 NACo CONFERENCES - \$8,620

These funds pay for conference registration, hotel, and meal expenses for two conferences for one county commissioner, one conference for a second commissioner, and one conference for the Executive Director. The estimated amount is based on the average cost per person (\$2,155) which includes a small buffer to absorb any unforeseen expenses related to the conferences.

MAINE COUNTY COMMISSIONERS ASSOCIATION

Executive Director's Report January 9, 2019

Director's Report

The Mills' Administration

Janet Trafton Mills became Maine's 75th governor a week ago today. She had already named her nominees for her Administration including former Kennebec County Sheriff and Warden of the Maine State Prison, Randall Liberty as her pick to head the Maine Department of Corrections.

In a call to the Department last week they were already answering, "Commissioner Liberty's Office."

Confirmations are expected to be quick and individuals so named are expected to take office immediately.

Once Mr. Liberty is confirmed we should request an opportunity to meet with him and his team, to provide an open dialog with the counties directly, with the MCCA and MSA, as cohorts, in providing safe and sound facilities in protecting the public and holding individuals until the judicial process addresses the adjudication of these same individuals to either release back into the general populace or for extended terms of incarceration in our penal system and in hope we can continue in providing effective and efficient services in the greater State's corrections process.

In such, to extend to Commissioner Liberty the biennium request directly, as a curtesy in advance of appearance to any of the legislative committees. I would also suggest we share other topics such as legislative objectives we are seeking (to be discussed in a moment).

FY2019-20, 2020-21 Budgets

As previously noted we've submitted a budget line request of \$36.6 million for the biennium, \$18.3 million for each year, as a holding figure until Counties can provide more accurately hard figures through MACCAM, which Kennebec County Administrator Bob Delvin has been spear heading.

The gathering of and presentation of the County Jail budgets data MACCAM presented last year was extremely helpful in showing Legislators not only the larger State-wide impact but how their own Counties figured into the overall mix benefited us, MCCA, MACCAM and the MSA in conversations in the State House. It will be helpful if we remain consistent in our format for Legislators to better see and understand the information we provide them in presenting our case for the State's partnership in covering the services the Counties provide both the State and our citizens therein.

Individual counties have already been holding legislative delegation meetings, Cumberland just last Friday and non-member Franklin a few weeks ago. I do need to say, the Franklin County meeting, at least as reported, if actuate, did have some misrepresentation of part of the problems of jail funding being a bit of a skirmish between counties (the article is attached).

I have had direct conversation with Criminal Justice & Public Safety Committee chair, Rep. Warren, of Hallowell, (Kennebec) and received an email back from Senator Deschambault, of York, of having the

Committee scheduling a day/ an afternoon where we, Counties, would be afforded an opportunity to present an overview of operating our jails and the process of meeting the funding requirements and options in covering those demands. These were loose conversations, talks continue to how large of a scope, how it (or they) may occur, as well as when is ongoing, a work in progress. *

Senator Breen attended the MSA Roundtable discussion last month with the Chief Justice and the Court system which we participated in as well, and Rep. Gattine, Senator Breen's Appropriations Committee co-chair, has been receptive anytime I have had conversations with him last year, which have continued after the session last fall and into the start of the current session.

I am seeking a new champion on the Appropriations Committee. With former Bangor Representative Aaron Frey being elected Maine's Attorney General we lost not only an individual who understood and appreciated the whole complexity of jail operations, having served on the Board of Correction and of courses, being on Appropriations, understood the roll of funding the breath of programs government needs to fund as well as the ones individuals want to fund.

The Maine Sheriffs Association's Roundtable follow-up: Nothing to report as of this time.

The MSA is hosting their Legislative Breakfast January 17th.

Maine National Alliance on Mental Illness

Executive Director Jenna Mehnert is still seeking a workshop focusing on mental health and hopes the MSA and MCCA would participate. NAMAI is working with individual jails on a program, Stepping Up: Reducing Recidivism for People with Mental Illness, across the State.

Maine Municipal Association: Kate Dufour emailed noting MMA officials are traveling to DC to meet with the Maines delegation to discuss issues of municipal interest. For those discussions, MMA does a Federal Issues Paper featuring federal issues of the year. MMA wanted to know if MCCA had any county issues we would like them to consider throwing into the mix. MAINE COUNTY COMMISSIONERS ASSOCIATION December 2018 Financial Report

Attached please find the financial reports for the month of December 2018. The Balance Sheet shows total assets and liabilities at \$77,877.88. This amount includes \$22,429 from the money market account for MainePERS employer contributions.

Debits to the bank account in December totaled \$15,063.28, and receipts of \$27,212.21 were credited to the account. The debits were from normal operating expenses during the month and a reimbursement to Penobscot County for NACo expenses. The deposits were \$26,250 from the Risk Pool Assessment, \$500 from the National Association of Counties for MCCA's contribution to the NACo Roster, and a few payments for the Elected Official Training. The general fund checking account balance as of December 31 was \$48,499.53 as some transactions had not yet cleared. With 100% of the year elapsed, 101% of the \$250,446 budgeted revenue has been received. On the expenditure side, \$249,801 or just under 100% had been expended year-to-date.

Please refer to the *Profit & Loss Budget vs. Actual* report to review the variances addressed by the proposed Year-End Line Item Transfer list. It was fortuitous some of the accounts were not expended, however, there are a few bills which will be paid in January which should have been under the 2018 budget.

Please don't hesitate to let me know if you have any questions or would like to see anything presented differently in the financial reports.

Respectfully submitted,

Lauren Haven

MAINE COUNTY COMMISSIONERS ASSOCIATION

Convention Planning Committee Meeting Minutes

MCCA Offices in Augusta 10:00 am Friday, December 7, 2018

Attendance: Barbara Arseneau, Lynn Patten, Michelle Wadsworth, Owen Smith, Linda Corliss, Abby Shanor, Charles Pray, Lauren Haven

1. Educational Sessions

The group continued to develop the idea of having a financial planning and retirement option panel with representatives from some of the following: Social Security, MainePERS, Maine Association of Retirees, the Camden Agency, Allen Health Plan, NACo Public Retirement, and ICMA. Tentatively, this could be scheduled on Saturday morning from 10:00 to 12:00. Several committee members offered to look for representatives for the panel.

2. Entertainment

Local Comedian Luke Hanberry is available for Friday night. He and his friends can do a one-hour show for \$1,500 which includes travel. We would offer them dinner before the show. Lauren will create an online voting survey to determine approval by the members of the CPC.

Saturday night, in following with the game activities in the afternoon we will have three games in separate rooms for folks to enjoy: Team Charades, Family Feud and Name that Tune. Lynn offered to organize one of the games. We can ask Todd Charles to do one – everyone had a great time in the past. Then we need one more person for the third game. After games we will roast smores and perhaps have a fireworks display.

3. Activities – We discussed a scavenger hunt around the property. We'd need to find someone to organize and be responsible for managing this activity.

4. Keynote Speaker

Charlie offered to look into a speaker from the Maine Development Foundation to give a talk on Economics in Maine. This could be scheduled for Friday afternoon.

5. Menu

The group went through all the options for meals and made choices for the entire event. Lauren will put the meal plan together and the committee can take another look at it at the next meeting.

6. Other Updates

Commissioner Fowler arranged for a color guard presentation Friday night. Lynn is looking into disabled veteran Travis Mills as a potential speaker.

7. Next Steps

Several committee members left the meeting with tasks assigned to them. The 2020 convention venue would be discussed at the Board of Directors' meeting on December 12^{th} .

8. Schedule January Meeting

The next meeting was set for Friday, January 11th at 10:00 am at the MCCA offices.
