The group talked about celebrations in the Hall of Flags in past years and inviting counties to participate. Office Manager Lauren Haven said the event is scheduled from 1:00 pm to 4:00 pm with set up beginning at noon. Counties were welcomed to donate money for refreshments. Last year the cost was approximately \$300. The Spirit of America Foundation planned to perform a ceremony honoring the efforts of volunteers directly following our event in the hope some county folks would be able to stay and congratulate award recipients. Comm. Fowler moved to approve the Proclamation. Comm. Hobart seconded the motion and it passed unanimously.

#### V. Reports

#### A. Executive Director and Legislative Report

Executive Director Charles Pray gave a status report of MCCA activities and passed out a list of bills for the group to review. The bills were discussed one by one. In particular, MCCA will oppose LD 636 An Act To Require Law Enforcement Officers To Wear Body Cameras and LD 264 An Act Regarding the Taking of a Blood Sample from an Operator of a Motor Vehicle Involved in a Fatal Accident.

Many of the bills would be topics for the weekly Legislative Policy Committee conference call now scheduled on Monday at 11:00 at which time the group would determine MCCA's position. Members requested using a different format for the legislative report adding the title, sponsors and status of bills to make it easier to read. Several people present wanted to be updated on hearing dates and times. Office Manager Lauren Haven said she was working on a legislative report and would include the specified information, but she would need help narrowing down which bills to follow. Additionally, the MCCA Tracker phone app was available for download which featured the legislative calendar and there was also an online sign-up form on the MCCA website to join a distribution list for legislative alerts. Lauren passed out a sample of the document she was working on. It was suggested Charlie's notes could be included. Lauren said she would do so and post the report on the MCCA web page, "Legislative Information." It was suggested a smaller group vet out the bills to be discussed on the LPC conference call and concentrate on the bills with hearings in the next two weeks. A number of people volunteered to be in the group and planned to meet at or after lunch to talk about the logistics.

#### **B.** Financial Reports

Office Manager Lauren Haven presented the January financial reports. She highlighted a few points. She applied the payments for the Elected Official Training to the line items, "Other Meetings" and "Professional Services" as the 2019 budget didn't allow for these expenses. Admin. Carrie Kipfer recommended tying the expenses to the 2018 budget.

Other items worth noting were the purchased space for advertisements in the Directory. The goal of \$3,000 was exceeded by \$550. Also, due in part to an error made by the Senator Inn, the bill for the annual meeting was less than it should have been, leaving more than \$900 in the Annual Meeting budgetary line. Lauren requested the Board consider making a one-time line item transfer of the remaining money in the budget to, "Monthly Meetings". Comm. Fournier moved to make the requested line item transfer and accept the monthly financial reports. Comm. Hobart seconded the motion, and it passed with no opposition.

#### C. Association Reports

MACCAM: Admin. Bob Devlin reported there was no news and the discussion lapsed into legislation.

MARP and MECCA: Comm. Amy Fowler mentioned several active bills the probate association and the Kennebec County Register Kathy Ayers was watching including a bill to reorganize the probate court system. Similarly, there were bills MECCA is following, particularly a bill allowing access to E-9-1-1 Call Recordings.

#### D. Annual Convention Report

President Tom Coward asked Comm. Fowler for an update on the convention. She stated the Convention Planning Committee (CPC) was working on finding a great keynote speaker. Comm. Gorden recommended inviting the Maine State Economist to give a presentation he had enjoyed seeing. Comm. Coward also thought he might have a suggestion and would look into it. Office Manager Lauren Haven reported venue, Point Lookout, was ready to take reservations for overnight accommodations. An email was distributed with details for making reservations. Comm. Fowler described the venue to the group and mentioned there would be a bowling challenge among other activities and assured them the convention would be well worth attending. Lauren referred to the CPC minutes from the last meeting included in the agenda packet.

#### E. NACo Report

Executive Director Charles Pray reminded the group about the upcoming NACo Legislative Conference scheduled for March 2 through March 6, 2019. He and Comm. Baldacci would be attending the event in Washington D.C. where they would participate in educational sessions, interact with federal officials and attend congressional briefings and meetings.

#### XIII. Other Business

Office Manager Lauren Haven reported copies of the 2019 Directory of Maine Counties were available for attendees to take back to county offices. She asked folks to report any changes to information in the Directory as they happen to keep the online version and future printings as accurate as possible.

It was requested MCCA staff get a status report of the Bicentennial Project 2020.

#### XIV. Adjournment

President Thomas Coward invited a motion to adjourn at approximately 11:45 p.m. Comm. Gorden made the
motion seconded by Comm. Fowler, and the motion was unanimously approved. The group adjourned to lunch

#### Section 1: State Funding of County and Regional Jails

Inherent in the creation, interpretation, and governing of law resulting from the administration of the Legislative, Judicial, and Administrative branches of Maine government, is the direct and indirect impact on the cost of operating Maine's County and Regional Jails. Consequently, the Governor shall as part of his/her biennial budget, provide for the funding of and distribution to;

and the Legislature shall appropriate those funds for distribution to, each County (or Maine's County and Regional Jails) as set forth in this section:

- A. For State fiscal year 2020 the State shall raise and appropriate \$18,442,104 or, the equivalent of 20% of the total operating costs of Maine's County and Regional Jails for that year to the County Jail Operation Fund. The distribution of which shall be as set forth in Title 34-A § 1210-D. Prior to July 01, 2019, each County and Regional Jail shall update both the Department of Corrections CRAS and BARS systems or the systems in place at the time with the jail's actual operating costs from their previous fiscal year to allow for the accurate calculation and distribution of State funds as outlined earlier in this section. State funding may be withheld from any County or Regional Jail who fails to do so.
- B. In State fiscal year 2021 and in each biennial budget thereafter, the Governor shall include and provide for the distribution of as set forth in this subsection, except that at no time may that amount be less than 20% of the total of the previous state fiscal years actual expenditures for all County and Regional Jails as reported to CRAS, for the support of Maine's County and Regional Jails to the County Jail Operations Fund. The Legislature shall appropriate for distribution funding as follows:
  - Beginning in FY 2020 and each fiscal year thereafter the State shall calculate annually the total number of days any State Sanctioned Inmates are housed at any County or Regional Jail during the previous calendar year. The annual calculation shall be completed no later than April 30th of each year.
  - 2. Each fiscal year the State shall appropriate an amount equal to at least \$50 per day for each State Sanctioned Inmate held in a County or Regional Jail during the previous calendar year to the County Jail Operations Fund or the amount identified in Section B as 20% of the total operating costs of the jails, whichever is greater.
  - 3. Formula; distribution. The State shall establish by rule a formula for the distribution of funds from the fund to the counties for jail operations. Beginning July 1, 2019 and annually thereafter, the State shall distribute to the counties from the fund amounts based on the formula. The formula must be based on the most recent calendar year for which data is available and must:
    - A. Take into consideration total statewide county jail prisoner days for all state sanctioned inmates for all jails;
    - B. Take into consideration and assign to a jail the number of state sanctioned inmate days attributable to each prisoner who was charged with committing a crime in that

county or was committed to the custody of or detained by the sheriff of that county regardless of what county or regional jail that prisoner is housed in;

- C. Determine the proportion of state sanctioned inmate county jail prisoner days attributable to each county regardless of what county or regional jail prisoners are held in;
- D. Determine the reimbursement amount for each county based on the county's proportion of state sanctioned inmate county jail prisoner days multiplied by the per diem per prisoner rate in subsection 2.

(Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.)

4. After each State fiscal year, the State shall reimburse each County or Regional Jail for medical expenses that exceed \$25,000 for each inmate confined, regardless of whether the inmate has been sentenced, except that the reimbursement threshold for any state sanctioned inmate is \$10,000. The State shall also reimburse each County or Regional Jail the cost of physical health medications for each state sanctioned inmate.

Additionally, the State shall reimburse each County or Regional Jail for Mental Health treatment or services expenses, including psychotropic medications for each inmate confined, regardless of whether the inmate has been sentenced.

Any County or Regional Jail who wishes to receive reimbursement for medical expenses under this section must submit to the State, no later than April 01 of each year, a written request and documentation of the mental health, medical, pharmaceutical expenses, for the previous calendar year. Reimbursement under this section will be made to the Counties by the State prior to June 30 of each year.

#### Section 2: Local Funding of County and Regional Jails

Inherent in the duty to keep and provide for a County or Regional Jail, is each County's responsibility to properly fund the services required of and related to the operations thereof, not otherwise provided. Notwithstanding existing law, the County Commissioners or County Budget Committee shall provide appropriate funding as part of the annual County budget adequate for the Sheriff or Jail Authority to administer the County or Regional Jail, except as set forth in this section:

A. For State fiscal year 2020, each Sheriff or Regional Jail Administrator must submit to the Department of Corrections CRAS program, in the budget format provided by CRAS, their approved County or Regional Jail budgets, including expenses for or revenues from

boarding inmates for fiscal year 2019. Tax assessments (Caps) for correctional services outlined in Title 30-A §701, ¶ 2C shall be amended, if the County Commissioners request, to reflect the budgets submitted by each County. The County Commissioners shall appropriate the amount in or amended in Title 30-A §701 for County and Regional jail operations or the County Commissioners my elect to appropriate the amount permitted by the LD 1 formula in 2019 for their County.

- B. In State fiscal year 2021 and in each State fiscal year thereafter the County Commissioners shall appropriate an amount not to exceed the annual tax assessments contained in Title 30-A §701 except in accordance with the provisions provided therein, for County and Regional Jail operations.
- C. Each Sheriff in State fiscal year 2023 and every four years thereafter shall submit to the Department of Corrections CRAS program, in the budget format provided by CRAS, their approved County or Regional Jail budgets, including expenses for and revenues from boarding inmates for the previous fiscal year. Tax assessments (Caps) for correctional services outlined in Title 30-A §701, ¶ 2C shall be amended, if the County Commissioners request, to reflect the budgets submitted by each County only in the last year of the four year cycle. The County Commissioners shall appropriate the amount amended in Title 30-A §701 for County and Regional jail operations or the County Commissioners my elect to appropriate the amount permitted by the LD 1 formula for the previous year for their County.

#### Section 3: Adherence to Correctional Best Practices

Beginning in State fiscal year 2021, and before distributing State funding in support of correctional services as outlined in Section 1, each Sheriff or Regional Jail Administrator must provide either individually or cooperatively, at a minimum, the following correctional services or programs; and these correctional services or programs must serve to reduce the rate of recidivism, or improve efficiencies for the delivery of correctional services in and between County and Regional Jails, and or adhere to State or Nationally recognized best practice in the field of corrections:

- A. Inmate Transportation Coordination. Each Sheriff shall participate in an inmate transportation cooperative with other County Sheriffs across the State. The statewide association of Sheriffs will work on a plan to expand current inmate transportation cooperatives with the objective of including all 16 Counties.
- B. Substance Abuse -Addiction Recovery Treatment. Each County and Regional Jail shall make available a substance abuse recovery program that at a minimum includes a licensed clinician or licensed professional organization to assist those inmates in need of substance abuse treatment.

- C. Mental Health Treatment. Each County and Regional Jail shall make available a mental health treatment that at a minimum includes a licensed clinician or licensed professional organization to assist those inmates in need of mental health treatment.
- D. **Community Corrections.** Each County and Regional Jail independently or cooperatively shall make available community corrections programs that at a minimum include; pretrial release or conditional release programs, alternative sentencing or housing programs, and electronic monitoring. Programs under this paragraph may be provided by the County or Regional Jail, or by a private organization.

Before distributing to a county that county's annual funding allocation under this section, the State shall require the Sheriff or Regional Jail Administrator to submit appropriate documentation verifying that the county or regional jail does provide correctional best practices as required by this section.

If a Sheriff or Regional Jail Administrator fails to submit appropriate documentation verifying that the county does provide correctional best practices under this section, the State shall withhold from that county or regional jail its distribution. The department shall hold in escrow the amount not distributed to a county or regional jail to give the Sheriff or Regional Jail Administrator an opportunity to comply with the requirements of this section and qualify for disbursement of the withheld funds.

Lauren,

Here's hoping....

The Appropriations Committee unanimously endorse the Governor's Supplemental Budget request, and could have a full Legislative vote on it by 3/13. If so, the Bicentennial will be infused with \$1 million, and the major projects – such as the Tall Ships piece – will go forward with a certain vigor.

Since that is primarily an education and training venture, and one that is visually spectacular, we will be looking for young adult Mainers to be on board, and we will be reaching out to the whitewater rafting people for the freshwater experience so that we will have a minimum need of 64 student trainees, age 14-21. We hope that is where you can come in, just to engage with the Bicentennial. At the rate we are going, we may have the positions sponsored, but we still need the participants.

How's that for an update? Close enough?

This could be such fun..... Thanks for the ask.

Dave

#### MAINE COUNTY COMMISSIONERS ASSOCIATION

#### **Convention Planning Committee Meeting Minutes**

MCCA Offices in Augusta 10:00 am Friday, February 15, 2019

Attendance: Amy Fowler, Barbara Arseneau, Lynn Patten, Abby Shanor, Diana Messina, Owen Smith and Lauren Haven

**Educational Session Updates and Keynote Speaker:** 

Lauren confirmed NACo Public Retirement will participate in the retirement option panel on Saturday Morning. Barbara and Lynn will check on ICMA and MainePERS. We think Charlie was inviting someone from Maine Association of Retirees. Lauren will check with him.

Maine Registry of Deeds wants to bring in a speaker for their group on Friday after lunch. This would probably not detract from any other speakers as this will be very specific to the Deeds and Probate groups. Others who are interested could attend as well.

Probate Judge Susan Longley is coming to make a presentation on trusts and wills. This would go along nicely with the retirement option idea. She would prefer to come Friday afternoon.

Still looking into sessions for Sheriff's, Treasurers, and Human Resources. The committee discussed having a keynote speaker after lunch on Friday and then three concurrent sessions from 2:30 to 4:30 OR a full afternoon or all day Saturday. We could also schedule one session or two sessions in the morning while association meetings are in progress.

Travis Mills will not be coming to speak at the convention. Waldo County has offered to pay for a keynote speaker and would like to hire Gorden Graham who would talk about risk analysis and hazard prevention. Barb Arseneau will find out if he's available either Friday or Saturday.

We need to look into a couple more options in case Mr. Graham is not available. She'll also ask about his availability in 2020 if he books that far ahead.

#### Activities:

Lauren verified with Point Lookout, we can have a fire pit and smores on Saturday night after games.

Waldo County folks have a couple of ideas for someone to manage and set up the scavenger hunt on Saturday.

Boating may not be available. Owen is still looking into it.

#### **Entertainment:**

Comedian Luke Hanberry has been hired for Friday night. He and his friends can do a one-hour show for \$1,500 which includes travel. We will offer them dinner before the show.

Saturday night, in following with the game activities in the afternoon we will have three games in separate rooms for folks to enjoy: Team Charades, Family Feud and Name that Tune. Lynn offered to organize one of the games. Lauren emailed Todd Charles to see if he'd be willing to help us again. Everyone had a great time last year. Then we need one more person for the third game.

#### Audio/Video Equipment Options:

The group reviewed the A/V price list for services and equipment provided by Point Lookout. Lauren negotiated with Gerry Hill, explaining to him we would need to bring our own equipment if we couldn't come to an agreement. After some deliberation, it came down to a flat price of \$1,200 for all equipment and services needed for A/V at our event. The big advantage of using Point Lookout would be they do this every day. They know their venue and the obstacles and challenges we might face as well as how to overcome them. The group agreed it would be worth the money.

#### Other Updates:

Jim Sweeney from Libby O'Brien Kingsley and Champion mentioned in an email to Lauren the firm would be interested in being a sponsor again. Also, Keefe Group has merged with another company and is planning to participate in the convention this year.

#### **Next Steps:**

Lauren asked if members of the committee were in favor of sending an invitation for everyone to make their hotel reservations. All agreed and Lauren will find out if we nee a group code or other information to give attendees in the invitation.

#### Schedule March Meeting

The next meeting was set for Friday, March 22nd at 10:00 am at the MCCA offices.

#### REPORT ON NACo LEGISLATIVE CONFERENCE, 2019

By MCCA's NACo Representative, Commissioner Peter Baldacci

March 2, to March 6, 2019

The annual Legislative Conference of NACO in Washington, D.C. was held at the Washington Hilton.

I arrived on Saturday, March 2<sup>nd</sup> & departed on March 6<sup>th</sup>.

On Saturday, after registration I attended a session on the "Disaster Recovery Reform Act" as part of the Justice & Public Safety Comm. The presenters were the Asst. Administrator of FEMA and their Chief Counsel. They informed us that FEMA is putting more dollars into flood insurance mitigation programs. Also, the Act limits FEMA's audit review of their projects to 3 years from the end of the project. There have been problems with FEMA auditing counties 10+ years after a project and requiring repayment for errors discovered.

Later the committee heard from Homeland Security and the DEA about sharing information and intelligence among local and state authorities. Brian Villenella of the DEA informed us of the worldwide activities of DEA. They pursue illegal activities around the globe. He also spoke about drug cartel activity in the U.S. In New England he stated that cartels are operating in 2 cities, Boston and New Haven. The most dangerous drug they are dealing with is Fentanyl, the cause of most deaths in this country. DEA has outlawed Fentanyl but it is temporary until 2020, and will require congressional approval to continue.

Our committee unanimously passed a resolution urging states to reform bail to replace money bail with non-financial conditions and only detain the most serious cases. A Federal Court has recently ruled that money bail can violate the Equal Protection clause of the Constitution.

Sunday I attended the Membership Committee, I serve as a vice-chair. It was announced that 2400 counties are now members of NACo. The highest number in its history. There was a report on the "High Performance Leadership Academy". Every NACo county can choose a candidate for the program and NACo will pay \$1000 toward the cost, leaving a balance of \$495 for the county. The counties that have participated have given positive

reviews. They have sent department heads, commissioners, and HR and finance people to the program.

There is also a Cyber Security Training program for county IT people now available.

Monday I attended a meeting of the Northeast Region Caucus to discuss issues that affect our region. Many of the counties expressed a need for an infrastructure bill to assist with roads, bridges and airports in our region.

Later we heard from the Sec. of Labor, Alexander Acosta, who spoke about the Workforce Training programs that his department oversees. The Sec. of Agriculture, Sonny Perdue spoke about the Farm bill. Kelly Ann Conway spoke about the administrations efforts to hear from local officials. She said that the President met with county officials from all 50 states in the last 2 years and they are open to hearing from local officials about the challenges they are facing.

On Tuesday, Charlie Pray and I met with our new congressman, Jared Golden. We discussed a bill in Congress to allow arrestees to retain their Medicaid and Medicare prior to conviction. There is strong support in Congress for this policy to finally be repealed. We also discussed retaining funding for the PILT program and resolution of the issue of Waters of the U.S. policies that have been burdensome to many in rural areas. We also stopped by Sen. King's office and spoke with his staff about these issues.

Charlie and I attended a session at the Capital on bail reform and the effort to have mentally ill individuals treated outside of jail instead of relying only on the jail's resources. The speakers included Commissioners, the sheriff from Suffolk County, NY, and Congressman Paul Tonko from New York. They discussed the impact of the opioid epidemic on county jails. Congressman Tonko has sponsored a bill, H.R. 1329, with bipartisan support, to amend the Social Security Act to allow Medicaid services to inmates beginning 30 days prior to release from a public institution. This would be a great help to our jails by getting an inmate into treatment prior to release and decrease the chances of reoffending.
