#### 4. Standing Committee Reports:

4.1. NACo Update: Peter Baldacci & Sharyn Pohlman

Comm. Baldacci announced that following the NACo Annual meeting in Travis County Texas in July, the NACO-endorsed "Disaster Assistance Simplification Act" was passed unanimously by the U.S. Senate. NACo was working to promote the bill, which would create a uniform application for all federal disaster recovery programs. It was passed out of the Senate's Committee on Homeland Security & Governmental Affairs late last year. Under the bill, FEMA would manage the uniform application system, but other federal agencies would work together to update application questions and would share

application data necessary to administer disaster assistance programs. Importantly, data from each program would continue to be governed by agency data sharing rules, creating the possibility that HUD could share bulk data from the Community Development Block Grant-Disaster Recovery program with researchers via its data licensing system.

4.2. Convention Planning Committee (CPC) – Lauren Haven4.2.1. Convention Planning Update

Admin. Lauren Haven reported that the Convention Planning Committee had met twice in August and then convened on Monday, September 11th to set up various things for the conference. They were on site and available to help vendors as they arrived. There were approximately 125 participants at last count with fourteen vendors and sponsors signed up to help pay the event expenses. The attendance number was lower this year than it had been in pre-pandemic conventions, but Lauren said she thought it was a good start in returning to the normal annual schedule.

- 4.3. Legislative Policy Committee Steve Gorden, Chair
  - 4.3.1. James Cohen, Verrill Dana
    - 4.3.1.1. Legislative Update
    - 4.3.1.2. Next Steps

The group had voted at the beginning of the meeting to discuss the items in this section at the Legislative Workshop that afternoon. Please see the notes regarding these topics below, following the meeting recess.

5. Association Reports - MACCAM, MARP, MRODA, MSA, others.

Admin. Carrie Kipfer said she did not attend the last MACCAM meeting. Someone mentioned the group may be moving to quarterly meetings instead of monthly meetings.

### 6. Adjournment

President Dutremble <u>invited a **motion** to **recess** at approximately 10:45 a.m. Comm. Steve</u>
Gorden made the **motion**, **seconded** by Norm Fournier. The motion was **approved** and

attendees adjourned to engage in other conference activities until the Legislative Workshop at 3:00 pm in the Ballroom of the Poland Spring Resort.

Legislative Workshop: (Minutes Submitted by Comm. Norm Fournier)

President Dutremble reconvened the MCAA meeting at 3:00 pm in the Ballroom at Poland Spring Resort. Steve Gordon invited lobbyist Jim Cohen to update the group on legislation concerning Jail Funding and Rural Patrol.

Jail Funding: After extensive discussion and question and answer period, <u>it was **moved** by Comm. Fournier and **seconded** by Comm. Sezak to submit a bill in the upcoming legislative session that provides that State funding for the County Jail Operation Fund must be appropriated annually in an amount equal to 20% of the total cost of operations for County Jails and the regional jail as necessary to meet the standards for county jails as established by the Commissioner of Corrections. The amount appropriated may not be lower than \$20,342,104. This bill would further provide that county jails and the regional jail may provide services that exceed the standards set forth in Maine law, but the cost of providing such services shall be funded by counties or other sources outside the County Jail Operations Fund. The motion **passed** unanimously.</u>

Rural Patrol: After much discussion on LD 630, <u>it was **moved** by Comm. Fournier and</u> **seconded** by Comm. Sezak that we prepare an amendment that permits the State Police to <u>hire or contract with county sheriff departments to fulfill its duty of patrolling state highways</u> and other important ways. This amendment would further specify that such hiring or contracting by the State Police must be within amounts authorized by the Legislature for the State Police for such patrolling purposes. <u>The motion **passed** unanimously.</u>

President Dutremble invited a motion to adjourn at approximately 4:25 pm. <u>Comm. Gorden</u> made the **motion seconded** by Comm. Fournier, and the motion to adjourn was **approved**.

### MAINE COUNTY COMMISSIONERS ASSOCIATION September 2023 Financial Report

Attached please find the financial reports for the month of September 2023. The Balance Sheet shows the total assets and liabilities at \$168,198.41. This amount includes \$12,466.66 from the money market account MCCA established for MainePERS employer contributions and petty cash of \$200.

Debits to the bank account in September totaled \$29,906.01, and \$6,878.45 was credited to the checking account. The debits to the account were from the usual monthly office and lobbying expenses, and the convention. The credits were deposits of the payments for the convention, NACo endorsements, and accrued interest on the checking account.

All expenses have been paid for the convention and most payments have been collected. Although we did not have as many sponsors, vendors and participants attend the convention this year, the expenses were also lower. This was largely due to the venue. The total income from the convention, barring any other payments, is \$24,616 and the expenses were \$16,037. The outcome is a net profit of \$8,578. I will run the convention profit and loss report at the end of October to review the final numbers.

Additional details of financial transactions appear in the *Profit & Loss Budget vs. Actual, Transaction Detail, Expenses by Vendor*, and *Profit & Loss Previous Year Comparison* reports. Please don't hesitate to contact me with any questions and let me know if you would like to see anything presented differently or additionally in the financial reports.

Respectfully submitted,

Lauren Haven Administrator

|  | Many of the topics appeared to be thrown together at the last minute. Having more sincere information and/or speakers would be more engaging.  |
|  | It would be nice to maybe have more with others who have their own conventions. Maybe we could combine MMA/Sheriffs Office with the commissioners convention as we kinda of all work together. Early in my tenure more attended  |
|  | Different venue, more educational session, plenary sessions at the beginning of the day, better equipment so that presentations are easier to see.   |

|  | By far the amazing K-9 unit. k-9 Sampson & Deputy Barr. Evert Deputy & every K-9 Officer were just wonderful I could listen to them explain all they do and how and why they do it for twice a long as we had them to see them show us was great.  Chance to inner act with staff and commissioners of other Counties. Also education programs that we can apply in our own Counties   |
|  | Interactive sessions; Amy, Betsy and the Administrators reviewing department function.   |
|  | The session on MAT Treatment. The speaker was knowledgeable and engaging.  |
|  | I can be flexible  |
|  | Getting to spend facetime with colleagues and learning best practices from leaders.  My favorite part was getting to converse and be with my fellow county people. Ideas being exchanged with other counties was also a highlight.  It was great to have the conference again! Lauren did an amazing job as usual!  As always, Lauren, you did an awesome job. I wish I could give more insight, but I was not able to attend most meetings. I would prefer the convention be held on a weekend. |
|  | Good Convention. Well organized. Kudos to Lauren and the planning committee.   |
|  | Nice Work! Thank You!!   |
|  | Great musician, great downtime to network  |
