STAFF PRESENT: Executive Director Rosemary Kulow, Risk Pool Manager Malcolm Ulmer, and Office Manager Lauren Haven.

II. Approval of/Additions to the Agenda

Comm. Graf moved and Comm. Fowler seconded approving the agenda with no additions. The motion was approved unanimously.

III. Approval of January 11, 2016 Board of Directors' Meeting Minutes

Comm. Fowler **moved** and Manager Betsy Fitzgerald **seconded** approving the minutes from the Board of Directors' meeting on January 11, 2017. The **motion** was **passed** with the addition of Piscataquis County Manager Tom Lizotte to the meeting attendance.

IV. Old Business

A. Legislative Issues/Positions

The group considered LD 597, *An Act To Make the Reimbursement Rate for Transfers of Inmates from County Jails Equal to the Federal Reimbursement Rate*, sponsored by Representative Bradlee Farrin. Comm. Graf said the goal is to set a standard daily rate between \$108 and \$118, and should not be lower than the federal rate of \$90. During the discussion, some directors indicated the funding to pay this boarding rate is not available. Sheriff Morton stated passing the bill would undercut inter-county agreements already in place. Finance Director Alex Kimball said the cost per inmate is difficult to estimate due to factors such as the length of incarceration and total number of inmates. Federal barding rates may differ from county to county. Comm. Fowler **moved** and Comm. Underwood **seconded** opposing the bill. The **motion** was **passed** with one opposing vote (Somerset).

V. New Business

A. Award 2016-2017 Audit Contract

The group reviewed the audit proposal submitted by Ron L. Beaulieu which included an option of an additional two-year period ending December 31, 2017. The company recently completed the 2014 and 2015 audit at a cost of \$3,000. The additional biennial audit would also be \$3,000. County Manager. Betsy Fitzgerald made a **motion** to award the biennial audit contract to Ron L. Beaulieu & Company. Administrator Pam Hile seconded the **motion** and it **passed** with a unanimous vote.

B. Consider Nominating Betsy Fitzgerald as MCCA's Representative to the Maine Library of Geographic Information Board

Comm. Fowler **moved** and Comm. Underwood **seconded** nominating Betsy Fitzgerald as MCCA's representative to the Maine Library of Geographic Information Board. The **motion** was **passed** with a unanimous vote.

C. Determine a Process to Hire an Executive Director

The group discussed how to move forward with hiring an executive director. Comm. Fowler stated it would be impossible to hire and educate someone to lobby for MCCA in this legislative session. County representatives will need to take responsibility to be at legislative events to give testimony and speak on behalf of the MCCA. Comm. Coward said it would certainly not happen in the next month. A committee would need to be assembled and begin a state or region-wide search using the current job description as a starting point. Comm. Graf said the group could consider expanding the Office Manager's role and hiring a lobbyist. Admin. Pam Hile said the organization is moving in the right direction and shouldn't regress by reducing staff. Admin.

Dawn DiBlasi said we could find an experienced lobbyist that could jump in. Comm. Graf said MCCA could have an executive director and a lobbyist.

President Baldacci proposed that the executive committee start the search. Comm. Cote said the committee could narrow down the candidates to a list of three. Comm. Baldacci asked if three months would be a reasonable amount of time to complete the hiring process. The executive committee will set up a conference call and will also look at options for this session.

- D. Designate Person Authorized to Use MCCA Visa Credit Card for Business Purposes**
- E. Designate Person(s) Authorized to Sign Checks and Access MCCA Bank Account**

Office Manager Lauren Haven stated she has been using the MCCA Visa credit card for normal business transactions. Comm. Baldacci stated it made sense to have the credit card re-issued in her name. Ms. Haven suggested that she continue to process the accounts payable and receivable. Warrant drafts could be sent to Secretary/Treasurer Mike Cote and checks could be signed by Ms. Haven upon his approval. The Board of Directors would continue to receive monthly financial reports with a list of transactions. Comm. Cote said he and Lauren have been working well together and there is a similar procedure in place for approving requisitions. Comm. Fowler made a **motion** to authorize Office Manager Lauren Haven to use the MCCA Visa credit card for business purposes and be listed as an authorized signatory on the MCCA bank accounts. The Secretary/Treasurer would continue to act as a backup. The motion was **seconded** by Comm. Graf and it was **approved** unanimously.

VI. Reports

A. Executive Director's Report

Executive Director Rosemary Kulow presented her report outlining her activity in January and upcoming meetings planned for February and the beginning of March. County Manager. Betsy Fitzgerald made a **motion** to place the report on file. Comm. Fowler seconded the **motion** and it was unanimously **approved**.

B. Financial Report

Executive Director Rosemary Kulow presented her report. Comm. Underwood **moved** and Comm. Cote **seconded** approving the report. The **motion** was unanimously **passed**.

C. Legislative Report

Admin. Andrew Hart pointed out that bill 614, "An Act To Establish a Presumption of Heart Disease or Hypertension in the Line of Duty for Corrections Officers under the Workers' Compensation Laws" referred to an increase in Workers' Comp. claims.

D. Association Reports

MACCAM: Administrator Andrew Hart reported the last meeting had been cancelled and the next meeting would be scheduled for a date in March.

MSA: Sheriff Morton reported that an MCCA representative was chosen for 2017. This would be his last MCCA meeting. Sheriff Kane will attend going forward. LD 248, An Act Regarding Law Enforcement Training for Former Military Police Officers, is being monitored by MSA. More

information is needed before the group takes a position. Currently military training does not count toward corrections training. The annual MSA conference is scheduled for March 29 and 30 at the Samoset Resort. MCCA members are encouraged to attend the conference and show support particularly for the awards ceremony in which employees are recognized. The MSA annual magazine is available. Copies can be found at local Sheriff's Offices.

E. Corrections Report

Sheriff Morton said there is a meeting scheduled to discuss issues. Sheriff Kane will be able to report on the outcome of the meeting.

F. Annual Convention Report

Office Manager Lauren Haven reported that the Convention Planning Committee met on February 17th at the MCCA offices. The group determined the conference menu and prices. Sunday River is in the process of generating a group code for attendees to use for hotel accommodations. An email will be sent to the large group as soon as the information is available to begin making hotel reservations. The committee will meet again on March 10th.

G. NACo Report

The Legislative conference will February 25th through March 1st. Comm. Baldacci and Comm. Fowler have made arrangements to attend educational sessions and meetings with Maine legislators.

VII. Other Business

Admin. Bob Devlin has requested a meeting with Governor LePage regarding supplemental jail funding. Admin. Dawn DiBlasi stated that representatives from both sending and receiving jails should be present at the meeting.

VIII. Adjournment

Comm. Fowler made a ***motion*** to adjourn at approximately 11:20 a.m.; Comm. Cote seconded the ***motion***, which was unanimously ***approved***. The group adjourned to lunch.

Respectfully submitted,

This bill authorizes the Aroostook County Board of Commissioners to seek approval from the residents of Township 17, Range 4, WELS, to rename the township to Sinclair.

LD 54 – An Act To Provide Compensation to a Corrections Officer Injured by a Patient or Prisoner – Sponsor: Rep. Tucker of Brunswick. **Criminal Justice & Public Safety (CJPS)**

This bill provides for a supplemental benefit paid to a corrections officer who is injured by the acts of a patient or prisoner of the jail, prison or state correctional facility where the corrections officer works if the injury qualifies the corrections officer for workers' compensation benefits. The amount of the supplemental benefit is the difference between the corrections officer's workers' compensation benefits and the corrections officer's regular salary. In addition, the work time the corrections officer misses is not chargeable against available sick leave credits.

MCCA OPPOSES – This should be a collective bargaining issue.

LD 66 – An Act To Prohibit Public Employers from Acting as Collection Agents for Labor Unions – Sponsor Rep. Lockman of Amherst. **Labor, Commerce, Research & Economic Development (LCRED)**

The bill provides that amendment of a birth certificate without the consent of the genetic parent to be named on the amended birth certificate does not affect the rights of inheritance or descent.

The County Jail Transportation Reimbursement Fund is funded from a percentage of the total fines, forfeitures, and penalties received monthly for deposit into the Government Operations Surcharge Fund.

Current law allows a temporary sign, including, but not limited to, a sign bearing a political message relating to an election, primary or referendum, to be placed in the public right-of-way for a maximum of 6 weeks per calendar year. This bill allows a temporary sign to be placed in the public right-of-way for a maximum of 12 weeks per calendar year, as long as that sign is not displayed for more than 6 weeks before the event to which the sign relates. LD 121 – An Act To Require Photographic Identification to Vote – Sponsor Rep. Farrin of Norridgewock. **Veterans and Legal Affairs Committee (VLA)**

This bill requires that a voter provide proof of identity with photographic identification for the purpose of voting. The bill specifies the types of photographic identification that may be used to verify the identity of a voter. Under this process, if the person can verify the person's identity to the municipal clerk, deputy clerk or warden or an election clerk within 5 business days of the election by presenting acceptable photographic identification, the ballot will be cast as a regular ballot. Through the general election of 2018, a person who does not present acceptable photographic identification but is known to a municipal clerk, registrar or election official at the voting place may cast a regular ballot upon submission of an affidavit by the municipal clerk, registrar or election official attesting to the person's identity. Finally, the bill requires the Secretary of State to provide, at no fee, non-driver identification cards to eligible persons who do not have another form of acceptable photographic identification to verify identity for the purpose of voting.

MCCA OPPOSES – It inhibits access to voting and makes it more difficult on seniors and people who are disadvantaged or disabled. One more step that makes it more difficult to vote. Cost of free IDs; burden on wardens and ballot clerks.

LD 251 - unanimous - MAL will craft testimony with Sheriff Kane

2/15: Sheriff Mason: I made to the committee and gave the testimony along with Chief Massey. Our testimony nearly mirrored one another and I added concerns that chief Massey did not speak on. The committee listened and seemed very open-minded of our request to have verbiage added to the current statute. However as you know, it's difficult to know what's going to happen.

Categories: monitor - too little information

Notes:

Sheriff Joyce has been asked to research and report back to committee on 2/10.

2/3/17 update: Here is the background behind LD321, An Act to enhance the Safety of Schools. In essence, if an individual is found wandering the halls of a school and shouldn't be it gives the officer the discretion to make an arrest rather than a warning as is indicated in statute now. As an example, if a child molester is found wandering around a school, currently he/she must be removed and warned not to come back.

ME - LD374 An Act To Recodify and Revise Certain Portions of the Maine Criminal Code

Categories: monitor

Notes:

Sheriff Merry: I just spoke with Dist. Attorney Geoff Rushlau, who is a member of the Criminal Law Advisory Committee, regarding LD-374.

This has been a work in progress since last year, at the request of the Chief Justice. The purpose is to organize sentencing related to the criminal code in a more concise and comprehensive manner. There is no substantive changes intended for sentencing, imprisonment, fines, probation, aggravating factors, or anything else related to crimes and convictions.

There are a couple of areas of interest for sheriff and county jails. The bill does attempt a more comprehensive look at failure to pay fines and what the court may do, including sentencing to jail at a rate between \$25-\$100 per day. It also more clearly lays out the process of ordering a person to community service in lieu of paying a fine. And, finally of note, it allows the court to sentence a person to jail and charge them a reimbursement fee – paid to the jail, up to the cost of incarcerating the individual or \$80, whichever is less.

The committee is likely to take this bill up before any other bills that may impose sentences so that it can be doing by simply making the changes in this section of the statute.

I think we should probably monitor this bill closely, and pay attention to any proposed changes that could affect either our jail operations or impact the punishment of certain crimes.
