## **Current Funding Opportunities – November 2015**

The table below lists all the open OJP funding opportunities, with links to the full text of the solicitation and to the appropriate grants system to apply. We encourage you to check out the <u>Apply</u> section of the site for information and training on writing and submitting an application. If you are looking for funding opportunities released in previous years or that closed during the current fiscal year, go to the Past Funding Opportunities page.

#### Open Solicitations

Solicitations are OJP's competitive and formula/block grant funding opportunity announcements.

#### Open Challenges

Challenges are technical, scientific, ideation, and creative competitions where the U.S. government seeks innovative solutions from the public, bringing the best ideas and talent together to solve mission-centric problems.
