These terms and conditions are for your information as to how PSR contracts events.

For the safety and well-being of our clients and guests, food, and beverages, which have not been consumed, are not permitted to be removed from a catered event. For all functions not attended (delivery or pickup) it is the responsibility of the customer to provide proper storage of food items.

Delivery, Linen, Liquor, and gratuity fees may apply to some events.

The final cost for billing purposes will be based on the guaranteed number supplied by the customer, five days prior to the event or the actual count on the day of service whichever is greater. Should the actual number served fall below the guaranteed number, the customer will be billed for 100% of the customer guaranteed count. There will be no reduction in count after five business days prior to the event.

Dietary restrictions: If you have an attendee with special dietary restriction, we ask that you please provide us this information at least five business days in advance.

Menu prices reflect the current rate and may be subject to change. Guaranteed prices for both service and menu items can be quoted 60 days in advance of the event. All prices are plus an 8% meals sales tax and an 18% gratuity. If you are sales tax exempt, a copy of your sales tax status will need to be provided to PSR prior to the event.
