III. Approval of November 12, 2014 Meeting Minutes

<u>Comm. Baldacci made a motion to approve the minutes of the November meeting. Comm.</u> <u>Moody seconded the motion and the motion was approved unanimously</u>.

IV. Old Business

A. MCCA Strategic Plan

The group discussed the level of completeness of the Strategic Plan draft. Comm. Fournier stated that the document would continue to be a work in progress and we should move forward in the direction we want to see the organization to go. Administrator Scott Cole believed the group had not had a chance to review it and was not ready to vote. Register of Deeds President Susan Bulay stated it's a good plan and we should adopt it. <u>Comm. Fournier made the **motion** to accept the Strategic Plan. Comm.</u> <u>Coward seconded the **motion** and the Strategic Plan was adopted with a passing vote.</u>

V. New Business

A. Consideration of Nominating Peter Crichton to the Statewide Coordinating Council for Public Health

<u>Comm. Moody made the **motion** to nominate Peter Crichton to continue serving on the</u> <u>Statewide Coordinating Council for Public Health, seconded by Administrator Bill Collins</u> <u>and the **motion** was approved unanimously.</u>

B. Consideration of the Proposed MCCA 2015 Budget

The group discussed the increase of annual dues which have remained the same for the past four years. Comm. Baldacci commented that the overall budget had decreased. Comm. Fournier added that the Risk Pool assessment was not being increased. *Administrator Pam Hile made a motion to approve the proposed 2015 budget as written. Comm. Coward seconded the motion and the budget was approved with a majority vote. The budget will be presented to the general membership at the annual meeting.*

C. Consideration of Legislation to Address County Borrowing Limits

Executive Director Rosemary Kulow explained the idea behind the potential legislation. The group discussed the possibility of using a formula to calculate the borrowing limit for each county. Manager Peter Crichton talked about the advantages such legislation would give to counties. <u>Comm. Baldacci made the **motion** to submit a placeholder for legislation that would determine the borrowing authority using a formula based on</u>

property valuation without the need for a referendum to be passed. Treasurer David Parkman seconded the **motion** and it was approved unanimously. Ms. Kulow will draft the language to submit to the Board of Directors at the next meeting.

D. Consideration of Legislation to Encourage or Mandate Regionalization of Services

Assistant Manager Bill Whitten presented the idea of proposing consolidation and regionalization among county services. He has seen some indication that there may be support from the Governor and MMA for startup funding for this type of a project. The group discussed the many areas where these types of sharing are already taking place and how it could be implemented in other areas. Although practices are already in place, establishing language would help prevent de-organization. <u>Sheriff Todd Brackett made a</u> **motion** to submit a placeholder for legislation that would encourage regionalization of services among counties. The **motion** was seconded by Comm. Baldacci and approved unanimously.

E. Establish Location for Annual Membership Meeting

The group considered the proposals for three available meeting venues. <u>*Comm. Baldacci*</u> <u>*made a motion* to select the Governor Hill Mansion. The *motion* was seconded by Comm.</u> <u>*Fournier and it was approved unanimously.*</u>

VI. Reports

A. <u>Executive Director's Report – Rosemary Kulow</u>

B. <u>Financial Reports – Rosemary Kulow</u>

Ms. Kulow explained her written reports. The group discussed the material briefly. Administrator Scott Cole requested a copy of the letter sent on behalf of MCCA regarding the Proposed Rule on the Definition of "Waters of the United States Under the Clean Water Act". *Comm. Fournier moved to accept the Executive Director's Report and the Financial Reports as written, seconded by Administrator Pam Hile and the motion was approved unanimously.*

C. <u>Legislative Report</u>

The group talked about obtaining a list of legislative requests and how soon that would be available. It was noted that MMA had backed off eliminating legislation on LD 1 and MCCA was not leading the charge.

D. <u>Association Reports</u>

MACT: David Parkman talked about people in financial positions who are retiring at the end of the year.

MACCAM: Bill Collins reported that an association meeting is scheduled for the end of January, and that MACCAM is ready to assist MCCA in any way.

MARP: Kathy Ayers reported issues with the new electronic filing system. They are working with attorneys to iron out the problems. Also, there is new legislation involving DHHS adoptions being **moved** to District Court. There are more legislative changes expected sharing information and interfacing with district courts.

MECCA: Owen Smith proposed a bill to decrease the 911 surcharge now that the NexGen is complete. Administrator Bob Devlin thinks the surcharge should be left in place to support revenue.

MRODA: President Susan Bulay reported that there was no association meeting in December due to the weather. They do have three or four new registrars. At this time she is not aware of any new legislation being proposed.

MSA: Sheriff Todd Brackett reported there would be an orientation for newly elected sheriffs at the Senator Inn on Thursday from 9:00 am to 4:00 pm. Risk Pool Manager Malcolm Ulmer will be coming to speak to the group.

E. <u>Corrections Report</u>

Assistant Manager Bill Whitten explained that in his lobbying efforts, he is not representing MCCA, but at the request of Cumberland County, the Board of Corrections (BOC) Chair, Sheriff Joel Merry, and Executive Director Ryan Thornell. The Governor is interested in dissolving the BOC and giving the jails back to the counties. Financial Analyst Mallory Pollard is resigning, and Mr. Thornell may be looking for employment as well. Counties need to take a position and stand together. The group discussed possible points that might or might not be agreed on. Comm. Baldacci stated we should start with the one thing we agree on which is that counties should keep managing the jails and to do that, counties need to continue to get financial support from the State. Comm. Coward **moved** to submit a placeholder for a bill to support jail operations and this should be a priority of the MCCA Joint Corrections Task Force. Treasurer David Parkman seconded the **motion** and it was approved unanimously.

F. <u>Annual Convention Report</u> – York County

Executive Director Rosemary Kulow explained the Convention Planning Committee met on November 21st for the purpose of learning what worked and what didn't work at the last convention as well as starting to plan for the 2015 convention that will be hosted by Hancock County. The group looked at minutes from that meeting and evaluation results from the 2014 convention.

G. <u>NACo Report</u> – Peter Baldacci

Comm. Baldacci reported that the annual NACo Legislative Conference will be in late February 2015.

B. Other Business

President Bill Blodgett announced the members of next Nominating Committee for officers for 2015: Comm. Fournier, Comm. Moody, and Comm. Jabar.

C. Adjournment

Mr. Parkman made a **motion** to adjourn at 12:15 p.m.; Comm. Fowler seconded the **motion** which was unanimously approved. The group adjourned to lunch.

Respectfully submitted,

MCCA Administrative Assistant, Lauren Haven

MCCA Executive Director's 2015 Budget Message

It is my pleasure to present for consideration a 2015 budget proposal for the Maine County Commissioners Association that shows a \$500 decrease in the bottom line from the 2014 budget. A draft budget proposal was reviewed and revised by the Budget Committee in November, and the attached document is now presented for approval by the Board of Directors for submission to the full membership in January 2015.

The budget as proposed shows expenditures and revenues totaling 252,150 - a decrease of \$500 from the 2014 budget.

2015 revenues are comprised mainly of county dues which total \$145,840 (\$350 annual increase per county), as well as a \$25,000 assessment from the MCCA Risk Management Pool and a transfer of \$25,260 from the undesignated fund balance, if needed. Other miscellaneous revenue rounds out the total, and more detail can be found on the budget spreadsheet and narratives. Total revenue for the year is projected at \$252,150.

About \$55,000 in Convention revenue is estimated for 2015, which is close to what was raised for the 2014 convention. Expenditures for the convention are estimated to be \$35,850. If achieved, this would provide about \$19,150 more income than expenses for the convention.

Employee salaries and benefits are based on projected salaries and actual benefit factors. Health insurance premiums will increase by 7% in 2015. This is based on the notice MCCA received from the Maine Municipal Employees Health Trust (MMEHT) in November.

All bookkeeping for the MCCA is now done in-house, but a small amount of funding is included in the budget in case professional accounting expertise is ever needed during the year. The Budget & Finance Committee recommends \$2,000 for contracted lobbying in case the need arises.

NACo conference funding pays for two conferences for the MCCA Director who is the NACo representative and three NACo conferences for the Executive Director. This fund also pays for other conferences and workshops the Executive Director and Administrative Assistant are required to attend for professional development and networking.

Additional detail about the budget may be found on the budget spreadsheet and in the account narratives; but as always, I welcome questions and suggestions.

Respectfully submitted,

Rosemary E. Kulow, Executive Director

Maine County Commissioners Association

2015 PROJECTED REVENUE

4100-00 CONVENTION INCOME - \$55,000

4120-00 Registrations - \$30,000

This account collects all registration payments for convention registration, meals, and participation in activities.

4130-00 Sponsorships - \$12,500

This account holds revenue from contributions paid by organizations or individuals who donate or sponsor an event. This amount emphasizes the need for an ambitious effort to acquire additional sponsors for the 2015 convention.

4140-00 Vendors/Exhibitors - \$12,500

This income is received from vendors, exhibitors, and advertisers at the convention who are there to market their goods and services. The increased amount illustrates a greater emphasis on vendor income.

<u>4300-00 DUES - \$145,840</u>

This is the income received from member counties' annual dues. A \$350 increase in annual dues per county is proposed by the Budget & Finance Committee for 2015. Because the budget relies on funds from the undesignated fund balance, the Budget & Finance Committee recommends that it be replenished by gradually increasing membership dues. It has been four years since membership dues have increased.

4400-00 OTHER INCOME - \$500

Any other miscellaneous income that MCCA receives during the year that does not fit within listed budgetary categories is shown in this line.

4500-00 NACO ROSTER - \$500

Funds received from the National Association of Counties for MCCA's contribution to preparing the roster are posted to this account.

4600-00 MCCA RISK POOL ASSESSMENT - \$25,000

Funds received from the MCCA Risk Pool are posted to this account. The assessment is calculated according to a cost allocation plan that considers the amount of time and space the Risk Pool utilizes of MCCA resources.

4810-00 INTEREST INCOME - \$50

Income earned on savings investments is shown in this budget line.

4920-00 TRANSFER FROM FUND BALANCE - \$25,260

Funds transferred from the undesignated fund balance to offset budget expenditures are shown in this account.

TOTAL REVENUE PROJECTED FOR 2014 - \$252,150

Maine County Commissioners Association

PROJECTED 2015 EXPENSES

5000-00 PAYROLL EXPENSES - \$120,600

5020-00 Payroll Fees - \$1,850

MCCA pays this to Bangor Payroll for preparing MCCA's payroll and reports for employees, the IRS, Maine Dept. of Revenue, MMEHT, and MainePERS. The budgeted amount includes a seven percent increase levied on MCCA in 2014 and enough to fund an additional small increase, if necessary.

5030-00 Social Security & Medicare (FICA) - \$7,750

This account funds payments for Social Security and Medicare. The contribution for FICA is 7.5% of employee salaries after contributions toward health insurance are deducted from employees' gross salaries. The contribution is 7.5% for both the employer and the employee.

5040-00 Maine PERS - \$0

About \$4,600 is needed to pay the employer's contribution for MainePERS; however, the employer contribution is paid from the PLD surplus account, which currently holds about \$50,000. Therefore, new funding is not needed to pay this anticipated expenditure. MCCA's contribution for this non-COLA-adjusted retirement program is now 4.1% of the employees' gross salary, and the employee's contribution is 7.0%.

5050-00 Administrative Assistant's Salary - \$37,000

The budget for the Administrative Assistant's salary provides for a 3% raise at her anniversary date of hire in October.

5060-00 Executive Director's Salary - \$74,000

The budgeted annual salary for the Executive Director is shown with a \$2,000 increase – slightly less than 3%.

5100-00 INSURANCE - \$23,100

5110-00 Health Insurance - \$20,000

Amounts MCCA pays for employee health insurance are posted to this line, which presumes a seven percent increase over 2014 costs. MCCA utilizes the health insurance services offered through the Maine Municipal Employees Health Trust. MCCA currently pays 90% of the single employee premium for the employee's chosen plan. Employees are allowed to choose one of three plans offered.

In the case of the Executive Director, the board voted to apply an additional \$2,000 per year toward the additional cost of the Husband & Wife plan as compared to the Single Employee plan.

5120-00 Commercial, Crime Protection, & Officers' & Directors' Insurance - \$2,000

This is the account to which payments for premiums for MCCA's commercial policy, crime protection, and directors and officers insurance are posted. The commercial policy covers property and casualty/liability insurance for the MCCA. We also obtained crime protection insurance to insure against employee dishonesty and directors and officers insurance.

Current annual premiums are as follows:

- **Commercial** $\frac{661}{100}$ Liberty Mutual via Macomber, Farr & Whitten; effective $\frac{8}{23}$
- Crime Protection <u>\$492</u> Ohio Casualty Group via Macomber, Farr & Whitten, effective 6/19/14 6/19/15
- **Directors & Officers** <u>\$702</u> Twin City Fire Insurance Co., via Macomber, Farr & Whitten; effective 4/22/14 4/22/15

5130-00 Workers Compensation Insurance - \$600

Amounts paid for workers compensation insurance for employees are posted here and are reduced slightly from the 2014 level to closer reflect the actual premium amount. The annual premium of \$558 was paid to Great Falls Insurance Company via Kristie Rowell Insurance Services, and MCCA received a supplement bill after they did an analysis of projected staff salaries. The policy is effective 7/2/14-7/2/15. An amount for potential increases is in the budget figure.

5140-00 Unemployment Compensation Insurance - \$500

MCCA participates with the MMA Unemployment Compensation Insurance program in an effort to control potential unemployment compensation insurance costs as a member of a large pool. The 2014 annual cost for MCCA's membership is \$468; therefore, a budget of \$500 should be adequate.

6010-00 PROFESSIONAL SERVICES - \$2,550

6011-00 Bookkeeping - \$250

Even though the Administrative Assistant now does all bookkeeping for MCCA, a small amount is budgeted for outside bookkeeping, should the need to contract for some assistance arise. The amount proposed for 2015 is half what it was for 2014.

6012-00 Legal Services - \$500

This line contains an appropriation for legal services, and the amount has been reduced by half to reflect actual usage.

6013-00 Financial Audit - \$1,800

An audit of MCCA's finances is required at least every two years, and this line is where that expense is posted. An appropriation for 2015 is included to ensure that an audit may be done in 2015, if necessary.

6030-00 LOBBYING - \$2,300

6030-00 Contractual Lobbying - \$2,000

In 2013 MCCA contracted for lobbying services from Cumberland County Assistant Manager, Bill Whitten, who was paid an honorary stipend of \$4,000. This service was not used in 2014, but the MCCA Budget & Finance Committee recommends an appropriation for a contracted lobbyist in case MCCA wants to pay for any supplemental lobbying services.

6031-00 Lobbying Registration - \$300

Those who engage in lobbying activities at the Maine Legislature are required to pay a registration fee to the Maine Ethics Commission. The lobbying registration fee for each joint lobbyist registration is \$200, and each lobbyist associate pays a \$100 fee.

6040-00 NACo CONFERENCES - \$13,000

This funding pays expenses for about five conferences – two for Commissioner Baldacci as the MCCA appointed representative to NACo's Annual and Legislative conferences, and three conferences for the Executive Director to attend NACo's Annual and Legislative conferences and the annual conference of the National Council of County Association Executives (NCCAE), a NACo affiliate.

6100-00 BANK CHARGES - \$50

6110-00 ANNUAL CONVENTION EXPENSES - \$35,850

6113-00 Entertainment/Speakers - \$5,000

Based on the last conference, it is estimated that up to about \$5,000 may be needed to compensate speakers and entertainment for the 2014 convention.

6114-00 MCCA Staff Registration Expense - \$1,000

The MCCA Executive Director's and Administrative Assistant's registration fees are posted to this convention expense account.

6118-00 Meeting Expense - \$26,000

It is estimated that about \$26,000 will be needed for the venue, including meals, etc.

6121-00 Supplies - \$3,250

Supplies purchased for the convention are shown in this account. This includes beverages and snacks, decorations, signs, paper, equipment, and other supplies.

6135-00 Commissioner Retirement Plaques - \$600

6140-00 COPYING & PRINTING - \$975

6142-00 Directory - \$825

The cost of printing the annual county directory is posted to this account.

6143-00 Other Copying or Printing Charges - \$150

Any miscellaneous printing or photocopying charges for documents or books would be posted to this account.

6145-00 DUES EXPENSE - \$1,500

company for routine maintenance and administration, as well as on-call service for problem solving.

6153-00 Photocopier Lease - \$2,000

The MCCA Xerox photocopier is leased through Gorham Leasing Group at a cost of \$164.35 per month. Included in the leasing fee is regular service, charge-per-copy, reduced cost for supplies, and same-day service for problem resolution.

6154-00 Printers & Printer Supplies - \$1,700

The cost of printers and supplies such as toner, ink cartridges, and paper is charged to this account. The increased funding level is a reflection of the high cost of toner.

6155-00 Telephone System - \$200

This funding pays for repairs to the phone system.

6156-00 Other Office Equipment - \$500

The cost of any other office equipment, such as desks, chairs, printer stands, headphones, projectors, paper shredders, safes, etc. is charged to this account.

related travel and airfare and other transportation costs associated with conferences and continuing education.

6195-00 OFFICE RENTAL - \$18,375

This account pays for MCCA office rent that is paid to the Maine Farm Bureau Association. The current lease expires March 31, 2015, and the new monthly lease amount will be in effect April 1, 2015. The Farm Bureau Director says the monthly rent is increasing from \$1,382 to \$1,581 because of increased costs of insurance, utilities, and property tax. This is a 14.4% increase, and the term of the lease is three years. The square foot cost increases from \$12.00 to \$13.73, which remains within the norm for comparable office space in the Augusta area.

<u>6215-00</u> **POSTAGE - \$350**

Executive Director's Report January 9, 2015

State Board of Corrections

I have learned that MCCA's representative to the State Board of Corrections, Amy Fowler, is resigning her position on the board. In addition to that, Executive Director, Ryan Thornell, is resigning effective January 28th to take another employment position. The Governor has not and does not intend to appoint members to the board, and I have heard that legislation may be introduced that would eliminate the Board of Corrections. I will not editorialize about the implications of these events in this report, but they are most likely areas of concern for county officials associated with or responsible for jail management and operations.

Legislation

Please see the report I prepared for the January 9th LPC conference call meeting, which is included in the agenda packet.

Annual Convention

MCCA staff is working with Host County, Hancock, and the Convention Planning Committee to identify the venue for the 2015 convention. Lauren is scheduling a site visit at Atlantic Oceanside Hotel & Conference Center in Bar Harbor for some time this month. The Planning Committee will be invited to the site visit, as well.

NACo Legislative Conference

The NACo Legislative Conference is February 21-25 this year, and I am in the process of scheduling our Capitol Hill visits with Maine legislators. To my knowledge, Peter Baldacci, Peter Crichton, Bill Whitten, and I will attend the conference again this year. There will be many opportunities for continuing education and committee and board meetings for all of us at

this conference. Please let us know if there are particular issues you would like us to discuss with our Senators and Representatives.

MAINE COUNTY COMMISSIONERS ASSOCIATION December 2014 Financial Report

Attached please find the monthly financial reports for the month of December 2014. The Balance Sheet shows total assets and liabilities at \$116,045.26. Bank account debits for the month of November totaled \$38,644.81; \$386.10 was credited to the bank account; and the bank balance on December 31st was \$117,647.73.

With 100% of the year complete, \$222,958 (88.25%) of the \$252,650 budgeted revenue has been received. We have not yet transferred any amount from the Fund Balance to offset expenditures; but at this time it looks as if about \$10,048 will be needed from the fund balance to balance the budget. The transfer from the fund balance will occur after all line item transfers and necessary accounting adjustments have been made to ensure accuracy.

The Convention collected \$56,598 in revenue - \$7,598 more than the budgeted \$49,000; and it spent a total of \$38,574 - \$4,074 more than the estimated \$34,500. All in all, the Convention collected **\$18,024** more in revenue than it spent. Please keep in mind that these are unaudited numbers, so they may be subject to change.

On the expenditure side, \$233,006 (92%) was expended by the end of the year, with \$39,065 (15.5% of the budget) paid out in December. A large portion of this was the \$23,292.71 hotel meals bill for the convention. A complete list of budget account lines that have been over-expended is on the agenda to approve year-end line item transfers. The line item transfers total \$7,215, and reasons for the overages are stated on the list.

Account 6114-00 pays for registration fees for the Executive Director and Administrative Assistant at the annual MCCA convention, although the title only says, "Executive Director." That account was underfunded in 2014, so it should be increased to \$1,600 for 2015. We also exceeded the line estimates for Convention Entertainment/ Speakers (6113-00), Meeting Expense (6118-00), and Commissioner Retirement Plaques (6135-00), so we may want to increase funding for those lines, as well. This can be discussed more during the 2015 Budget approval agenda item. I don't see a need to increase the amount projected for Convention Revenue for 2015, however.

The overall budget looks good and shows that 8% of the budget was not expended in 2014. Another positive note is that 2/3 of the amount appropriated to be used from the Fund Balance to offset budget expenditures can stay right there in the Fund Balance. We conservatively estimated that the 2014 year-end fund balance would be about \$115,000, and it is shown by our year-end report to be about \$116,000.

Please don't hesitate to let me know if you have any questions or would like to see anything different in the financial reports.

Respectfully submitted,

Rosemary E. Kulow Executive Director

County Borrowing via Loans

Representative Chuck Kruger of Thomaston has submitted a bill on behalf of MCCA to amend **Title 30-A Sec. 934. Loans**. (*Copy attached*.) The legislators I spoke to require language for the bills before they agree to sponsor them, so I did the research to help develop draft language.

Current law forces counties to ask voters via county-wide referendum for permission to borrow more than \$10,000 if the county is not otherwise authorized by county charter or another vehicle. The MCCA wants to replace the unrealistic limit that inhibits counties' ability to do business efficiently with a more realistic limit on their borrowing authority.

To achieve this end, MCCA recommends that the amount of \$10,000 be replaced with the following: "1/10 of one mil based upon the county's property valuation, or greater, upon approval of the electorate in a county-wide referendum." This mirrors Cumberland County's charter language.

Rep. Kruger submitted this as a bill request to the Revisor's Office on December 31st. He said he'll keep us apprised of any responses and begin the search for co-sponsors, especially Republic senators on the State & Local Government Committee. He said he will also ask Dave Miramant and Jeff Evangelos to co-sponsor.

The new bills will not be available until next week, and the list of LRs on the State Legislature has not changed since December 11th.

Encouraging Regionalization of Public Services

Senator Roger Katz of Augusta was happy to resubmit LD 312 that he sponsored back in 2011 and excited that counties support the idea of a fund to help promote the regionalization of public services. He thinks the bill could go farther with support from counties. This bill reestablishes the Fund for the Efficient Delivery of Local and Regional Services originally established by Initiated Bill 2003, chapter 2 and eliminated in 2009. (*A copy of LD 312 is attached for your information*.)

This bill was previously supported by municipalities, and Senator Katz has asked the MMA LPC to support it once again. 1% of state Revenue Sharing money would be used to reestablish the Local Government Fund which would provide additional support for local governments experiencing a higher-than-average property tax burden. This fund would assist those municipalities that collaborate with other municipalities, **counties** or state agencies to obtain savings in the cost of delivering local and regional governmental services.

Senator Katz asked us to let him know by mid-January if we think further "tweaking" of the language is needed to make the bill more suitable for MCCA's purposes.

Corrections

At the end of December, Bill Whitten, Sheriff Joel Merry, and I met with the Speaker of the House Eves, his staff, and Representative Mark Dion via conference call for an hour to discuss the corrections situation and potential legislative solutions. I had previously spoken to Rep. Dion at length before Christmas about corrections and his potential sponsorship of legislation. He, for one, was very hesitant to submit a bill when it isn't clear what position the counties support.

In speaking with Rep. Dion and Speaker Eves, it became clear to us that it would be wiser to wait to see what Republicans and/or the Governor submit for corrections legislation than to submit new legislation on behalf of the counties. The main reasons for this are (1) MCCA has not yet developed a *new* position that the majority of counties agree with; (2) without the language for a bill, legislators are highly reluctant to sponsor a bill or even put in a "placeholder" LR; and (3) we'll know better how to respond and what to propose ourselves after we see what else is on the table.

Furthermore, with (1) the resignation of Amy Fowler as the MCCA representative on the State Board of Corrections, which makes the board completely non-functional for at least the near term and (2) the resignations of the SBOC Executive Director and Financial Analyst, the state of the BOC and its associated funding is greatly jeopardized.

At the conclusion of our meeting, all agreed to watch proposed legislation and work together to determine the best position, strategy, and response. We did not submit any placeholders for corrections legislation on behalf of the MCCA before the January 2nd deadline.

Based on titles on the December 11, 2914 list, counties may want to watch the following, depending on actual language:

LR 485	Resolve, Authorizing the State Tax Assessor To Convey the Interest of the State in Certain Real Estate in the Unorganized Territory.
LR 566	Resolve, To Ensure the Authority and Independence of the Office of the Attorney General
LR 517	An Act To Amend the Laws Regarding the Department of Corrections

LR 568	An Act To Clarify That the Number 9-1-1 is the Primary Number Advertised or Promoted for Emergency Response Services
LR 571	An Act To Create a Position at the Public Utilities Commission

We also need to pay close attention to the Governor's budget proposal and new bills that come out.

I received this from MMA lobbyist, Kate Dufour.

MMA's Legislative Agenda 2015-2016

<u>Overarching Goal</u>: Preserve/restore municipal revenue sharing primarily by educating Maine's lawmakers and general public about what revenue sharing stand for and accomplishes.

- The "Partnership Program" Report
- Educational/Media Campaign
- 2015 State-Municipal Summit

<u>Legislative Initiatives</u>: In light of deeply violated revenue sharing program, redesign/redefine the state-local relationship.

Nine separate legislative initiatives in four categories:

Back off state mandates:

- Give General Assistance Program over to the State Government to administer.
- Make enforcement of the Maine Uniform Building and Energy Code voluntary for the municipalities over 4,000 in population, where it is currently mandatory.

Additional tools for municipalities to preserve tax base and improve local tax burden equity:

- Authority to form fire districts and establish fees for fire service
- Authority to preserve abandoned properties to avoid condemnation, capturing costs by lien

Pushing back on the 2013-2014 shifts onto the property tax:

- Return the teacher retirement obligation to state government.
- Implement state funding for charter schools.

Ensuring sustainable investments in transportation infrastructure:

- Sustain the Highway Fund, index fuel taxes to mileage performance standards.
- Advance adequate transportation bond.
- Restore Local Road Assistance Program.

Legislation submitted with MMA's assistance but not as part of the Association's agenda:

- Incentivize municipal investments in Internet infrastructure.
- Authorize municipal school systems to forego school budget referendum adoption procedures.
